

## PRESS RELEASE

### **ECOLHE FINAL INTERNATIONAL CONFERENCE and THE BEGINNING OF EVOLUTION**

The “ECOLHE INTERNATIONAL CONFERENCE 2023” will be organised on 08 June 2023, in Protaras-CYPRUS and the aim is to discuss the challenges of digital transformation in Higher Education and to present the results of the ECOLHE project!

If you are in Higher Education and would like to improve your knowledge and skills in digital technologies in Higher Education the ECOLHE training course is the right choice for you! Innovative approaches, focusing on improving and upgrading teachers’ digital competencies, for fostering students’ level of engagement and motivation will be presented.

The program is very rich with various external interventions, as the project call for abstracts has attracted researchers and experts from Italy, Spain, Greece, Finland, Poland, Ireland, Egypt and Cyprus.

ECOLHE encourages the production, experimentation and sharing of new approaches and training methods in the field of digital culture through the online course “Engaging Higher Education students with collaborative e-activities”.

The language of the Conference is EN.

Registration is Free and the Conference information is at <https://eaecnet.com/index.php?id=546>
