EVALUATION REPORT OF FINAL CONFERENCE

This report provides an evaluation of the ECOLHE Final Conference in Cyprus, which was held on June 8th, 2023, at Constantinos the Great Hotel, in Protaras. The event was attended by a total of 65 people.

The overall satisfaction rate of the event was impressive, with over 90% of the responses being positive in regards to the organization, presentations delivered, quality of content, and presenter's knowledge of the subject. This indicates that the event was well-planned and executed with a high level of professionalism.

In conclusion, the ECOLHE Final Conference held in Cyprus was a well-organized, informative and engaging event that succeeded in meeting its goals. The high satisfaction rate and positive feedback from participants indicates that the event was a valuable experience for all those who attended.
